# 37th International Congress on Social and Environmental Accounting Research (22-24 June 2027)

Preceded by

## 14th CSEAR Emerging Scholars Colloquium (21 June 2027)
## CSEAR Education Community of Practice (ECoP) event (21 June 2027)

### 2nd Call for Papers

### Submission Deadline: 31 January 2027

This residential conference at the **University of St Andrews** is a gathering of academics, practitioners and researchers who focus on the teaching, research, theory and practice of social, environmental, and sustainability accounting and reporting. The spirit of the conference is interdisciplinary, and so submissions are also invited from perspectives beyond accounting.

The CSEAR International Congress provides a forum for scholarly work in various stages of development and explicitly encourages open discussion as well as close collegiality.

**Plenary Speaker**
We are delighted to announce that our confirmed keynote speaker is Sarah Bracking, Professor of Climate and Society, King's College London.

**Submissions**
Two types of submissions are encouraged this year: 1) **full papers** and 2) **work in progress**. Authors submitting full papers are expected to provide a **complete manuscript** by the submission deadline, whereas authors submitting a work in progress are invited to submit a **250-word abstract**. Please note that abstracts will be made available to all delegates prior to the conference. Submissions will be subject to review.

**NOTE:** research submitted to the Emerging Scholars Colloquium **cannot** be submitted to the main conference. Emerging Scholars wishing to present at the main conference must submit work that is substantively different to that which is presented at the Emerging Scholars Colloquium.

**Online presentations**
The conference provides the possibility for online presentation. Online presentations will run as parallel sessions of the conference, will be made on a virtual platform and will be open to paid CSEAR members (at the time of the conference).

**NOTE:** Given the limited space for presentation slots, an author can submit and present **only one paper.** However, the presenter can always be a non-presenting co-author on additional papers.

The submission deadline for all submissions is 31 January 2027and paper acceptance will be notified by 28 February 2027.

**Best paper award**
All full paper submissions will be eligible for best paper recognition, which will be awarded through a blind review conducted by the Awards Committee.

**Local Organisers**

**Shona Russell**

## Education Community of Practice (21 June 2027)

The CSEAR Education Community of Practice (ECoP) will host an in-person workshop before the International Congress. Workshop attendees will hear from leading educators and have a chance to try out different activities as well as share experiences from their own work. Further details will be shared in due course. For now, please save the date!

Anyone wishing to join the workshop will be required to register for this event as well as the conference.

## Emerging Scholars Colloquium (21 June 2027)

The 37th CSEAR International Congress will feature the 14th CSEAR Emerging Scholars Colloquium.

The colloquium aims to introduce emerging scholars to the social and environmental accounting research community and provide them an opportunity to present and discuss their research projects alongside a cohort of distinguished international faculty.

Further details about the colloquium will be provided in a separate call for applications and on the conference website.

## Registration

We anticipate heightened demand for places and urge early registration. Registration will open in Spring 2027.

## Sponsorship

We gratefully acknowledge the financial support provided by our international sponsors.
